# Restoring Eve

GOD'S PURPOSE FOR WOMEN

February 28 - March 2, 2013

# Restoring Eve

## GOD'S PURPOSE FOR WOMEN

What does it mean to be a woman? As simple as it sounds, this question is not that easy to answer. Today there are hundreds of different messages telling women who they are, what they're worth and how they should behave.

It's time we heed the one message that truly matters. At our conference, we will take a closer look at the very first woman, Eve, and what her story has to say to us today about being women. We will consider the creation accounts, the impact of the fall on women and redemption found in Jesus. These are truths that will change not just how we see ourselves, but also what we do and how we live our lives!

So join us for a time of discovery and reflection, healing and celebration as we together seek God's purpose and plan for women. You may never be the same!
